Para responder debe **encher completamente** (non se permite cubrir con raias nin con cruces) a casilla da letra elixida no primeiro dos 4 recadros correspondentes a cada pregunta.

selección da resposta C na pregunta 8

Se xa temos marcada unha resposta e máis tarde decidimos marcar outra, no seguinte recadro á dereita marcaremos a resposta que pensamos que é a correcta. Podemos repetir este proceso hasta 3 veces.

Se no último recadro marcado aparece máis dunha resposta, considerarase a pregunta sen responder.

Se hai varios recadros marcados, considérase a resposta do recadro marcado mais á dereita.
